

## Make Your Own Festive Foliage Decoration

### What you need:

Red robin/ Ivy/ Holly

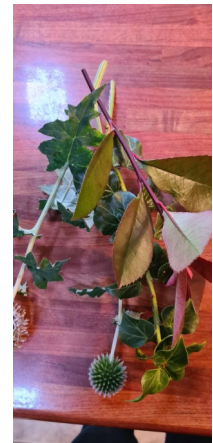

Fern/Rosemary (natural aroma)

Conifer/Off cuts from Christmas tree

You can choose what you want to put into you decoration

### Method:

1. With the help of an adult, choose some evergreen foliage from the garden or hedgerows. Be careful to avoid prickles and check not to disturb any wildlife (ladybirds)
2. Remove some leaves of the stem; this will make it easier to tie.
3. Start to position the foliage together; you might need an adult to help you hold them in place.
4. Secure with an elastic band, make sure you are happy with the arrangement
5. Tie a pretty ribbon over the elastic band and hang in the house or on the door. The evergreen foliage should make this festive decoration last all Christmas

### Helpful Tips

Ask an adult to help with the cutting and scissors

Clean up when you have finished- enjoy !
