

Kids Country and Marshal Papworth supporting Fairtrade with Education.

Managed by the East of England Agricultural Society, the Marshal Papworth fund provides scholarships for people in developing countries to come over to England and partake in agricultural and horticultural courses.

The aim is to provide the students with practical skills and valuable knowledge that they can take home to share with their local communities.

Supporting their future food needs for generations to come.

We are lucky to work with some great companies who support fair-trade. So enjoy learning all about pineapples with Blue Skies, bananas with SH Pratt and Central England Co-operative
