

Make Your Own Orange Christmas Decoration

These Christmas decorations are simple and fun to do

Items you will need:

Firm large oranges - unblemished

Sharp knife and chopping board

A baking tray, cooling rack and tongs

Some kitchen roll and tea towel

Optional decorations - Ribbon, string, cloves, star anise and cinnamon sticks

Instructions:

1. **With an adults help**, cut the oranges into thick slices, if too thin will fall apart.
2. Put onto a clean tea towel and pat dry with some kitchen roll.
3. Place your cooling rack onto your baking tray and carefully put your orange slices onto the rack. You will need the air to circulate around the slices.
4. Turn the oven on to 120, it need to be low. Put oranges in for about 3 hours. Its important to check your slices and turn every 15/20 minutes so as not to burn.
5. When the slices are dry to the touch they are done.
6. Once cool thread with ribbon/string, decorate and hang on tree.
