Make Your Own Pumpkin Decoration

These decorations are really fun and easy to make.

Materials you will need:

A4 paper in orange, yellow, red and green

Cellotape or glue

Pair of scissors

Method:

1. Decide what colour you want your pumpkin, and cut the paper into fine strips
2. Fold strips over and then cellotape
3. We used 4 strips, then cut thin strip for stalk from green paper
4. Turn pumpkin so you can't see the joins
5. Attach the stalk and hey presto, you have your pumpkin.
6. Decorate your house for Halloween.
