

Organics

We supply our Organic crop to many Supermarkets, including:

TESCO **Sainsbury's**

ASDA **Waitrose**

MARKS & SPENCER

Organic Crops we Grow:

Gem, Red Beet, Celery,
Batavia, Romaine, Onions &
Wheat

For the overall Organic Operation we grow 27 different varieties.

Lettuce and Celery is transplanted from peat blocks mid February onwards.

PLANTING

Red Beet is drilled from the beginning of March onwards.

Methods of weed control include:
-Mechanical Hoeing
-Straw Mulch
-Plastic Mulch

WEEDING

Plastic Mulch is placed around our early celery plants. It is biodegradable.

PEST CONTROL & ENVIRONMENTAL

We establish beetle banks for ladybirds and other friendly predators.

HARVESTING

We have a total of 4 crews averaging around 13 people per crew.
