

Root Mystery

Can you guess who I am and uncover my name?

Red or purple at the top ,From the middle much more white, When I'm younger you can eat me raw I'm soft enough to chew and bite. Later on I'm boiled or mashed I'm tasty either way. Try a PINRUT Today !!!

Round, smooth and purple, roasted or pickled in a jar I'm a tasty TOORTEEB Superstar

I look like a carrot, not orange but white, at Sunday lunch I'm a fantastic sight, boil or roast me crush or mash, in a puree cut a dash, chunky PINSRAP, thick yum !!!

I'm crunchy if eaten raw, tasty chopped, sliced and cooked in a stew, short, long, in shape. Finely grated in a salad. My colour is normally orange, charismatic TORRAC
