

Varieties of Cucumbers

There are many varieties of cucumber often with their name a reference to the area of world they are most commonly cultivated. One of the most common cucumber types is the English or European cucumber. These cukes are almost seedless, thin skinned without spines and long (1-2 feet in length)

**Burpless
Cucumber**

'Burpless Tasty Green' cucumber produces crisp, delicious fruits with no bitterness, and as the name suggests, are easy to digest.

**Armenian
cucumbers**

Armenian cucumbers, also called snakemelon or snake cucumber, have very long, twisted fruit with dark green, thin skin and pale green stripes the length of the fruit – which turns yellow and aromatic as it ripens and has a mild flavour

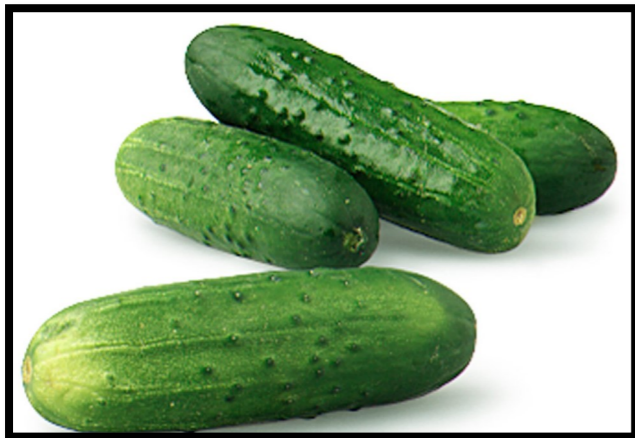

Varieties of Cucumbers

Kyuri, or Japanese cucumbers

Kyuri, or Japanese cucumbers, are slim, dark green with small bumps and thin skins. They are crisp and sweet with tiny seeds. Japanese cucumbers are also “burpless” varieties

Kirby cucumbers

Kirby cucumbers are usually 6 inches long or less, with bumpy skins and firm flesh, more often than not those you buy as commercially sold pickles. These cucumbers are usually unwaxed and are crisp, thin skinned with tiny insignificant seeds

Lemon cucumbers

As the name suggests, the size of a lemon with pale lemon hued skin. As this variety ripens, the skin becomes a golden-yellow with fruit that is sweet and crisp.

Varieties of Cucumbers

Proloog cucumbers

A Proloog cucumber packs a punch when it comes to production power. Fruit quality is among the best a cucumber variety can give. Proloog gives very uniform grades, sizes and fruit shape. Both colour and shelf life are of absolutely the highest calibre

Adrian cucumbers

The ridged slightly knobbly cucumbers. They are well suited to soil grown Organic crops. Nice dark green colour and good shelf life.

'c-thru-cumber'

In May 2008, a British supermarket chain unveiled the 'c-thru-cumber', a thin-skinned variety that reportedly does not require peeling. It is the perfect solution for those who like cucumber sandwiches.
