The Beekeeper and Pollination

May to June 2024

Explore the wonderful world of bees and their role in
pollination

Hosted at your school

“A superb visit. The event organisation was great, all staff were friendly and knowledgeable, there was lots to do and the activities were great.” -

Grantham Prep

What's on Offer?

In partnership with the Peterborough & District Beekeepers Association and Central England Co-operative, learn about the significance of the honey bee and the important role it plays in our environment.

“The Bee Visit was very informative for our children. All the information was perfectly pitched, as were the activities, and the children faced fears. We will do a visit write-up in class.” - *St Bartholomews Primary*

Enjoy a short classroom session with a real life beekeeper and learn all about the honey bee

Try on beekeeping suits and handle a range of beekeeping equipment

See the queen bee inside a bee hive

Taste a variety of different honey, including some produced by our local bees!

Learn about the importance of the bee's role in pollination

Have fun doing a bee quiz , making seed bombs and other associated activities

All visits run from 10am to 11.30pm
