

NEW ZEALAND JOB OPPORTUNITY

We have a short-term Farm Assistant position available from late July until early December (Dates can be slightly flexible). This position would suit someone wanting to get a taste of NZ farming during our busiest and most exciting times - calving and mating.

We milk 410 crossbreed cows through a herringbone shed with in-shed feeding on an immaculate 130 Hectare property which is mostly gentle rolling in contour.

We envisage our team members will work both alongside us and at times independently helping with all aspects of the day-to-day running to maximize their time here on a NZ farm, duties will include but are not limited to:

- Milking
- Calf rearing (We rear 130 calves)
- Break fencing
- Weed control
- Feeding out
- General stock work & farm maintenance

In return, we will provide a competitive hourly rate, accommodation and meals. We are more than happy to help with setting up bank accounts and any other things that are needed for your time here in NZ.

The farm is located 5 minutes from the rural town of Otorohanga which is located in the central North Island (roughly 2 hours from Auckland).

Otorohanga is located within easy driving distance of plenty of tourist attractions and towns, I've listed a few below:

- Waitomo Caves
- MT Ruapehu
- Tongariro Crossing
- Lake Taupo
- Rotorua
- Beaches, we are closer to the west coast

For further information or to apply for this position please email us at deebeefarm@outlook.com
