Considering an application?

Is your course or event right for the Scholars Programme?

- The course/ event will be life changing
- The course/event will give you knowledge or insight that will set you apart from your peers
- The course/event will provide one or more of the following
  - Thinking outside the box
  - Developing soft skills
  - Developing leadership skills
  - Access to ground breaking information and/or people

The Scholars Programme **does not cover** BTEC's, undergraduate degrees, employment required courses or skills courses. For example, BASIS courses, sprayer certifications and vehicle licensing

For skill based courses we reccomend taking a look at RABI training grants & Tim White's Countrywide Foundation

Remember- Scholars Programme grants will cover up to 80% of your course/event cost. The committee will also consider contributions towards travel and accomodation costs where appropriate.
